PROFILE

I am a qualified Full Stack Web Developer experienced in HTML, CSS, Javascript and Python. I have been working for international companies for the past 15 years. Highly driven and motivated, I readily adapt to different situations and thrive on delivery, success and attention to detail. An excellent team player, who is also self-motivated and self-reliant, that strives to improve and develop designs and systems for Frontend Development.

INTERESTS

I enjoy writing and designing and I am currently compiling a family historical book using programs such as Indesign, Photoshop and Illustrator.

I thoroughly enjoy the experience and challenge of learning new programs and delivering satisfying results.

I am a manager and player for Långholmen Football Club playing both 11 aside and 7 aside throughout the year.

I am also part of the board that discusses the clubs future and planning for each season.

I am an avid runner and gym enthusiast who enjoys the challenge of Obstacle Course Racing.

I have entered into competitions throughout Sweden and United Kingdom, with the most gruelling being the Rat Race that consisted of running 30km while tackling 200 obstacles.

I enjoy walking and trekking and have enjoyed many fantastic climbs throughout the world.

Including Kilimanjaro in Tanzania and extensive treks around the Himalaya's, Asia and Scotland.
